The directions for account creation are listed below. You must use a computer to complete the registration.

All students and parents must complete **Sections 1-5** online, **Section 6** MUST be completed, signed and dated by a licensed physician. When registering your child please use their school email address.

1. Click on the "Registration" Link on Your School's Bound Homepage

<https://www.gobound.com/pa/schools/conemaughtwp>

2. Log into Bound or Create an Account

In order to register your student for an activity, you must have a Bound account. Log in with your account, or click on "Create Account" to create your account.

3. Create Your Family Account

The first time you register a child for an activity on Bound you will be asked to create your Family account. You can add multiple children and/or Guardians to your family account. Create your Family Account by entering in the name you wish to give your Family in Bound. This is typically your last name. Next, it will ask you to provide information on yourself as manager of this account. Followed by Confirming and Agreeing to Bound's terms.

4. Add a Child to your Family

To add a Child to your family, complete the following steps

1. Click on the Add Child button in the Children section. Or click on the Add Child button in the top right Quick Action bar.
2. Enter the requested information and click "Next."
3. Next, choose which School/Organization your child is a part of. Once chosen, continue by clicking "Next."
4. You will then be asked to input your child's School's Student ID number to find your student. Enter this ID number if your child already exists at a given school and click "Find Student." Any matches to your child will appear here now. If your child does not have a Student ID, simply click "Create New Student Record" at the bottom of the page, and it will ask you to confirm your child's information here.
5. Lastly, it will confirm your addition of your child and ask if you would like to send an invite to your child's email to allow them to connect to Bound and your Bound Family. When finished click "Add to Family" and your child will now show on your Family Dashboard. Your child will be added to your family and will appear on your Dashboard.

5. Register Your Child for Activities

1. Click on the "Register" button at the top right of the Quick Actions bar or click on the "Register for Activity" button in your child's area.
2. If your child is connected to multiple Schools/Clubs/Organizations, you will choose which one you wish to register an activity for.
3. Here you will select one or more activities you wish to register for.
4. The last step is to confirm the activity(s) you wish to start the registration process for. Do this by clicking "Begin Registration" when you are ready.

6. Enter the Information Requested by Your School

Follow the instructions to provide the appropriate information as requested by your school. **IMPORTANT:** When you register your child, an account creation email will be sent to the email address you entered. Make sure they accept the invite and create their account. This is key to receiving future communication from school faculty and coaches!

1. Here you will see an overview of your registration(s), click continue to start the process. Complete all necessary fields to finish your registration.
2. If there is no charge for registration, you can "Click to Complete Registration."
3. If there is a charge for your registration, click "Proceed to Payment" to complete the checkout process. Select the cash option if you will be paying your activity fee at the high school office, this is recommended for families with multiple students.

Registration Complete!

Once all the steps are completed, you will have successfully registered your child for their activities.
