WE ARE WILLCOX!

Building a World Class Education!

WILLCOX UNIFIED SCHOOL DISTRICT | PARENT & GUARDIAN NEWSLETTER | NOVEMBER 2026

A Message to Our Families

Thank you for your continued support of Willcox Unified School District! Together, we are building a world-class education through academic excellence, improved facilities, student opportunities, and strong community partnerships. Throughout the district our schools are working to improve communication with you. We hope that these efforts provide information about all the exciting things happening in the district. More importantly, we hope to provide you with information that allows you to be more involved in your child's education and their activities here at school. Look for regular communication in the form of newsletters, updates in ClassDojo or direct teacher contact. If you don't already have a PowerSchool account, ask your school about signing up so that you can monitor your student's academic progress anytime. We look forward to providing you all the information you need to be a part of our schools.

Go Cowboys!

Bond Building Construction Updates

Bond projects are funded through voter approved capital expenditure bonds.

Current Projects: We have completed the renovation of classroom interiors at the elementary and middle schools. We have also completed the track and field installation at the high school. The expansion to the wrestling room has been started.

Coming Next:
Background work has been going on at the elementary school for the multipurpose room. Engineering and architectural work has almost been completed. Bidding was completed for the contractor and awards made to Canyon Building and Design. We hope to start breaking ground in January.

Future Projects: Training facilities at the high school.

Weatherization

Weatherization projects are grant funded and are completed using zero district or community dollars. These projects focus on modernizing the exterior of facilities including new doors, windows, and paint. These improvements will ensure the longevity of our facilities for many years to come, plus improve the safety and security of students and staff.

- **Current Projects:** Willcox High School weatherization will be completed in December.
- **Coming Next:** Funding to be issued this month for one either the middle school or elementary school with construction beginning in January.
- **Future Projects:** The final school to be awarded in November of 2027.

Extracurricular Updates

Check your student's school calendar on their website for specifics on these activities.

- **Athletics:** We have student athletes thriving at every level.
- **Clubs and activities:** Knowledge Bowl, FFA, Culinary, ASL, and Auto are just a few of our clubs or groups with regular activities and events.
- **Fine arts:** Drama, orchestra and the elementary school have events ongoing in the arts.

Upcoming Events Calendar
