

What Is Bullying?

Bullying is **repeated**, unwanted, aggressive behavior between kids that involves a real or perceived **power imbalance** — not just a one-time moment, but something likely to happen again.

✗ This IS bullying

- Repeated teasing about looks
- Excluding someone again and again
- Spreading rumors on purpose

✓ This is NOT bullying

- A one-time argument
- A disagreement during a game
- Not liking someone quietly

If it happens: tell a teacher or the front office. Reporting a real problem is never "tattling."

New AZ Healthy Schools Act

A.R.S. § 15-242.01

Bars schools taking federal meal dollars from serving, selling, or letting a third party sell **ultra-processed food** on campus during the school day — effective **2026–27**. Covers lunches, vending, stores, fundraisers, classroom parties, and prizes.

✗ Candy & soda

✗ Chips

✗ Non-compliant baked goods

✓ Fruits & veg

✓ Water

✓ Compliant snacks

Good news: pack anything for your own child's lunch. For anything shared with the whole class — homemade or store-bought — it must meet the guidelines. Bright, dyed frosting is a common red flag.
