

I am running for the school board because I believe strong schools are the foundation of a strong community, and I want to help ensure that every student has the opportunity to succeed. For 11 of the last 12 years, I have worked or volunteered within the Round Valley School District. During that time, I have had the opportunity to see firsthand the dedication of our teachers, staff, administrators, families, and community members. I understand both the opportunities and the challenges facing our schools, and I believe my experience gives me a valuable perspective as a board member.

In addition to my involvement with RVSD, I have served on two other school boards in other districts. Those experiences taught me the importance of thoughtful decision-making, fiscal responsibility, collaboration, transparency, and—most importantly—keeping students at the center of every decision. I am running because I want to put that experience to work for our students, families, staff, and community. I will listen, ask difficult questions when necessary, work collaboratively, and make decisions based on what is best for students and the long-term strength of our district.

I would be honored to serve our community and help build on the strengths of RVSD while working together to address the challenges ahead.

Thank you for your consideration,

A handwritten signature in dark ink, appearing to read "John Wayne Anderson". The signature is fluid and cursive, with a long horizontal stroke at the end.
