**Areas within Apache County have specific Roof Snow load requirements. Permitting requires the manufactures Roof Snow load information to insure the proper placement of homes and accessories base on the snow load studies to the area of placement. Homes which do not meet the standared will require a signed waiver or an accessory "snow roof" construction over the home. Additional permitting will be required in these instances.

**Areas within Apache County have specific Roof Snow load requirements. Permitting requires the manufactures Roof Snow load information to insure the proper placement of homes and accessories base on the snow load studies to the area of placement. Homes which do not meet the standared will require a signed waiver or an accessory "snow roof" construction over the home. Additional permitting will be required in these instances.

**Areas within Apache County have specific Roof Snow load requirements. Permitting requires the manufactures Roof Snow load information to insure the proper placement of homes and accessories base on the snow load studies to the area of placement. Homes which do not meet the standared will require a signed waiver or an accessory "snow roof" construction over the home. Additional permitting will be required in these instances.
