NOTICE OF ATTENDANCE

NOTICE IS HEREBY GIVEN that a quorum of the Apache County Planning and Zoning Commission (five or more members) may be in attendance at a site visit on Thursday, October 1, 2026, beginning at 2:00 p.m. (MST).

The site visit will take place in Concho, Arizona, generally located along the east side of State Route 61, in the vicinity of Concho Lake and the Concho Golf Course, on property associated with a proposed subdivision application submitted by Western Land and Ranches, LLC.

The purpose of the site visit is to provide Commission members with an opportunity to become familiar with the subject property, surrounding area, existing development, access, and general site conditions prior to the Commission's upcoming review of the proposed subdivision application.

No legal action will be taken. The site visit is for informational and observational purposes only. Commission members will not deliberate, discuss the merits of the application, reach consensus, or otherwise conduct Commission business except as permitted by Arizona Open Meeting Law.
