

ARTICLE 6. GREER ZONES

Section 601. Definitions and application of Greer Zones

A. The application of this ordinance is to direct inevitable growth, while preserving the natural aspects of Greer that attract residences, business owners, and visitors to Greer. This ordinance clarifies land use, to ensure those critical characteristics. The application of this ordinance is to promote a community with a healthy residential base, stable property values, and an economically sustainable business environment.

In the case of ambiguities or confusion in the application of Article 6, refer to either the Apache County Comprehensive Plan or the Greer Community Plan for clarity.

B. Definitions

1. **Manufactured Housing**

(a) **Manufactured home:** A moveable or portable dwelling unit constructed on or after June 15, 1976, to be towed on its own chassis and designed so as to be installed with or without a permanent foundation for residential dwelling. The unit may include one or more components that can be disconnected for towing purposes and subsequently connected for additional capacity, or a portable dwelling composed of a single unit. The Federal Manufactured Housing Construction and Safety Standards Act of 1974 became effective on June 15, 1976.

(b) **Factory Built Building:** Buildings that are either wholly or in substantially in part consisting of manufactured components from a manufacturing facility or factory and transported for installation or assembly, or both, on-site.

2. **Park Model:** Means a recreational vehicle or park trailer, that is built on a single chassis, has a gross trailer area of not more than four hundred square feet when set up, is designed for seasonal or temporary living quarters, and may be connected to utilities necessary for operation of installed features and appliances.

3. **Recreational Vehicle (RV)** means a vehicular type which is:

- (a) A portable camping trailer mounted on wheels and constructed with collapsible partial sidewalls which fold for towing by another vehicle and unfold for camping.
- (b) A motor home designed to provide temporary living quarters for recreational, camping or travel use and built on or permanently

attached to a self-propelled motor vehicle chassis or on a chassis cab or van that is an integral part of the completed vehicle.

- (c) A trailer built on a single chassis, mounted on wheels, and designed to be connected to utilities necessary for operation of installed fixtures and appliances and has a gross trailer area of not more than four hundred square feet when it is set up, that does include fifth wheel trailers.
- (d) A portable truck camper constructed to provide temporary living quarters for recreational, travel or camping use and consisting of a roof, floor and sides designed to be loaded onto and unloaded from the bed of a pickup truck.

3. Resort - A hotel or motel that serves as a destination point for visitors. A resort generally provides recreational facilities for persons on vacation. A resort shall be self-contained and provide personal services customarily furnished at hotels, including the serving of meals.

C. In this Article, unless otherwise specified:

- (a) "GA-2" means Greer Agricultural Zone
- (b) "GR-1" means Greer Residential Zone
- (c) "GC" means Greer Commercial Zone
- (d) "GCR" means Greer Commercial Resort Zone

Section 602. Purpose

A. Greer Agricultural Zone

The primary purpose of the Greer Agricultural Zone (GA-2) is to:

- 1. Act as a holding zone for transition to new zones.
- 2. Conserve and protect open land use and encourage orderly growth.
- 3. Provide for single family residential development with adequate open space and separation of buildings preserving the natural features of the land
- 4. Provide for planned development through the use of a MPC, Article 20 or PUD, Article 21 in conformance with the Comprehensive Plan.

B. Greer Residential Zone

The primary purpose of the Greer Residential Zone (GR-1) is to:

- 1. Provide for single family residential development with adequate open space and separation of buildings to preserve the natural features of the land.
