

Reminder: Please call the school to notify us if your child will not be attending school on a specific day. It is our practice to call parents when students are absent if we have not received a phone call(455-5524) from the student's parent or guardian. In the event that no contact was made, please send a note excusing your child's absence when they return to school. An unexcused absence occurs when the parent/guardian has not notified the school of their child's absence prior to the start of school on the day following an absence.
