To Whom It May Concern,

Please note that we have extended this request for bids. Read on for more information!

Fremont County School District 2 (FCSD2) will be selecting a licensed/insured plumbing service for small jobs not required to be bid during the 2026 calendar year. As a result, we are sending this letter and enclosure to all licensed and insured plumbers in Dubois, WY. In addition, an ad will be running in the Dubois Frontier. Essentially, if you would like your company to be considered for hire on plumbing work at FCSD2, you will need to apply through this process. We will go through this process every year after that.

Here is a copy of what was posted in the Dubois Frontier:

**Fremont County School District 2 – Securing Plumbing Services for 2026**

**This Request for Bids has been extended:**

Fremont County School District 2 (FCSD2), Dubois, Wyoming, is seeking **licensed plumbing vendors** to be considered for selection as approved providers for small plumbing jobs not required to be formally bid. Multiple vendors may be selected.
