Faculty Congratulations

Congratulations and Best Wishes to Mrs. Corrine Anderson on her retirement! We would like to thank her for her lasting impact and dedication to our students.

Honor Roll

Congratulations to the following students who were named to the Honor Roll for the 2nd marking period: **James Bahner, Abigail Blaker, Cory Delaney, Bailey Hoyt, Nell Johnson, Dash Longmore, Reese Payne, Bryson Ryzner, Ella Stehle.** Sixth grade students are eligible for the academic honor roll by maintaining an overall average of 93% or above in all major subject areas, receive no failing grade in any other subject and possess a good attendance record.

Kindergarten Registration

Online registration will be opening soon. The process of registration must be complete before the school visit and screening in May. Please plan on bringing your pre-k student to Lake-Noxen Elementary School for the screening in May. You will be notified of the day and appointment times.

Academic Fair / Art Show in March

Save the date! The 2026 Lake-Noxen Academic Fair is scheduled for March 26th from 6 to 8 pm. Students are encouraged to complete individual projects. Projects can be science related or based on a student's special interests. In addition, there will be a basket raffle, food items available for purchase and the Lake-Noxen Art Show display throughout the halls. Come celebrate our students' creativity!

Earth Dome Assembly

Pictured are the first grade classes of Mrs. Jones and Mrs. Paczewski. The students are in front of the Earth Dome. The PTO sponsored school wide assembly was at L-N Elementary School in January.

Celebrating Second Grade

This winter, our second graders traveled the globe without leaving the classroom, exploring holiday traditions from 13 countries around the world, including Mexico, India, France, and the United States. They learned about piñatas, created vibrant mandalas, discovered Père Noël's customs, and made their own Christmas ornaments. Our **Holidays Around the World Celebration** brought it all to life with crafts, games, and tasty treats, sparking curiosity, joy, and a deeper appreciation for the rich diversity of cultures around the world.

In addition to exchanging gifts with each other, second grade also gave back to the community this holiday season. They collected 37 jars of peanut butter and jelly to donate to the B&B Food Pantry in Noxen.
