

# Ross Elementary Newsletter

## January 2026

### Important Dates in January

**Jan 13th - PTO Meeting @ 6pm**  
**Jan 16th - 1:00 Early Dismissal Act 80**  
**Jan 19th - Holiday Recess**

### *Dismissal Reminders*

Please have a plan in place for your students in the event of any weather related dismissal changes. Last minute changes and messages may not be received by teachers on time. Snow routes can be viewed on the LLSD website under parents and bus information. If there is a snow route called for the morning pick up, drop off will be at their regular stop unless snow routes are announced for the afternoon as well. Snow Routes do not affect walker drop off or pick up.

### *Lost and Found*

Please be sure to label all your students belongings. We have a lost and found box overflowing with sweatshirts, coats, hats and gloves. If your student has lost any belongings, please ask them to come check the lost and found in the nurse's office.

### *PTO News*

We would like to extend a HUGE thank you to the Ross PTO for all that they accomplished for our students and faculty in December! From the holiday shop, 5th and 6th grade dance, and photos with Santa. Please if you have not already done so get your clearances approved by the board and help this amazing group of generous and hard working parents with all they provide for our elementary school. School store will continue to be every Wednesday during breakfast time and will resume January 7th.

### *Noble Knights*

Congratulations to our December Noble Knights winners!

This month our teachers looked for Respect, we are very proud of all our winners this month! Students will be recognized monthly with a tee shirt, certificate, a group picture with the winners and Mr. K. Also a phone call to parents or guardians. This months winners are:

Kindergarten - Adeline Belles  
1st Grade - Lily Sadowski & Bryer Riaubia  
2nd Grade - Jordyn DeBarry  
3rd Grade - Cecilia Red  
4th Grade - Luna Norkunas  
5th Grade - Wyatt Sinclair  
6th Grade - Collin Albee

## ***PSSA Testing Window***

The 2026 PSSA dates are April 20th - May 1st. The PA Department of Education requires the annual administration of English Language Arts, Math, and Science (only in grade 5) assessments. We kindly ask that you do not schedule any family vacations during this time. These assessments are very important in determining how well our students perform in relation to the core standards.

# **HAPPY NEW YEAR!**
