RE: 20-Day Notification of Asbestos Abatement
Asbestos-containing Floor Mastic and Vapor Barrier Flooring (Paper)
Paramus High School
Woodshop Room and Attached Storage Rooms (Room ID 315)
99 E Century Road
Paramus, New Jersey 07652

20-Day Notification of Asbestos Abatement (N.J.A.C 5:23-8.19 – Abatement in Occupied Buildings)

Dear Faculty, Students, and Visitors:

The asbestos abatement of 3,767 square feet of asbestos-containing floor mastic and vapor barrier flooring (paper) located within the Woodshop Room and attached storage rooms (Room ID 315) of Paramus High School, located at 99 E Century Road, Paramus, New Jersey, will commence on or about July 7, 2026, and be completed on or about July 16, 2026. Access to the Woodshop Room and the attached storage rooms will be inaccessible to staff, students, and visitors, excluding agencies having lawful jurisdiction.

Unicorn Contracting Corp., located at 14 Willow Street, Bloomfield, New Jersey 07003, is the New Jersey-certified asbestos abatement contractor (License # 01331) that will be completing the asbestos abatement project.

The asbestos abatement will be monitored, and air sampling will be collected by a New Jersey Department of Community Affairs Asbestos Safety Technician employed by Whitman, Asbestos Safety Control Monitor #00110. Air sampling during the removal phase will be read off-site by an AIHA AAR Certified Microscopist within four (4) hours of the commencement of the area air sampling and posted on-site for your review. The final air testing protocol will be Transmission Electron Microscopy (TEM) in accordance with NJAC 5:23-8, occupied section.

Project plans and specifications will be made available upon request.

If you have any questions, please do not hesitate to contact me at mcostantino@whitmanco.com or by phone at (732) 390-5858.

Sincerely,

Mark Costantino, AST
Asbestos and Lead Services Manager
