March 6, 2026

Paramus High School is excited to announce our upcoming Student Choice Day on May 29, 2026. This special event is designed to give our students the opportunity to step outside the everyday curriculum and explore unique activities, specialized lessons, and career insights proposed by students, teachers, and esteemed members of our community.

To reinforce the "us" in Paramus, we are inviting local business owners, professionals, and organizations to share their expertise with our students. Whether it's a lesson on entrepreneurship, a discussion on civic engagement, or a deep dive into a specific career path, your participation helps bridge the gap between the classroom and the real world.

Last year's sessions included:

- Creative Expression: Art projects, music performances
- Wellness Activities: Yoga, meditation, mindfulness exercises
- Community Engagement: Volunteer opportunities, service projects
- Unique Learning Experiences: Panel discussion of community leaders, mozzarella making, birdwatching, philosophy lessons, an interview with a TV sitcom writer, and other engaging sessions.

If you, your business, or your organization would like to participate, please complete the accompanying Google Form to propose a session (roughly 50 minutes in length).

Please submit your proposal by March 19th to be considered.

All replies will be reviewed, though please note that not all proposals may be selected.

For further information, please contact Paramus High School Principal Dom Miller or Supervisor of Social Studies & World Languages, David Allocco.

You can sign up using this [STUDENT CHOICE DAY LINK](#).

Respectfully,

Dom Miller & David Allocco
