

ST. RITA
SCHOOL
of St. Paul VI Parish

OUR MISSION:

St. Rita School inspires students in Pre-Kindergarten through grade eight to achieve academic excellence in a safe, nurturing and faith-filled Catholic environment.

We prepare students to be morally responsible, innovative thinkers who, in today's technology-guided global community, live and share the Love of Christ.

From the Desk of Mrs. Robinson

Dear St. Rita Parents and Guardians,

Thank you to all our families who contributed to the Advent Collection. Over \$3000 was raised to assist families within our parish community to make Christmas a little brighter this year. Your generosity is greatly appreciated.

As we approach the winter break, I would like to express my sincere gratitude for your continued support and understanding during what has been a challenging start to the school year.

Your encouraging words, patience, and unwavering belief in our students and staff have truly made a difference. Navigating new situations is always difficult, but your partnership and resilience have been a source of strength for our entire school community.

May you have the gift of faith, the blessing of hope, and the peace of His love at Christmas and always. Have a Merry Christmas and a Blessed New Year!

Thank you for entrusting your children to our care.

God Bless,

Mrs. Robinson

Nurse's Corner

Hamden Public Schools and St. Rita School will now be following the new respiratory virus guidelines set forth by the CDC and our local health department.

COVID will now fall into the same category as the flu and RSV as a respiratory virus.

If your child develops symptoms of a respiratory virus (cough, fever, runny nose, congestion, fatigue), they should stay home until they are fever free for 24 hours without the use of medication and their symptoms are improving. They can return to school and we would encourage the use of a mask for 5 days.

Medication reminder:

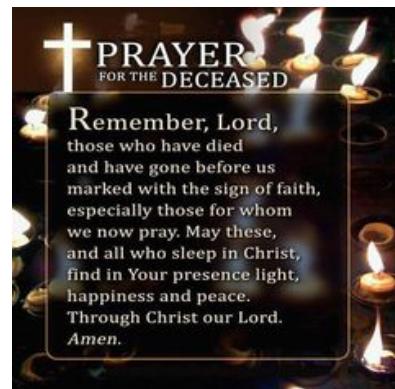

Please do not send medication into school with your child. This includes any Over The Counter medication (Advil, Tylenol, Midol, cold medicine, allergy medicine, etc). Medication that needs to be taken during school hours must be brought into school by an adult along with a medication order from the physician.

If you wish to have cough drops available to your child please send them into school with a note. The nurse will keep them in her office and administer them to your child as needed.

Thank you for your cooperation

Please continue to pray for Mrs. Tiezzi and her family, and all

Please pray for all the deceased members of our

those members
of our school family
who are in need of our prayers.
