OUR MISSION:

## From the Desk of Mrs. Robinson

Dear St. Rita Parents and Guardians,

Happy New Year! Thank you for your generous contributions during the Christmas holiday, which brought joy to our dedicated faculty and staff. Your unbelievable support of the Advent Giving Tree Project allowed us to help so many children in both our school and parish with an overwhelming amount of gifts and food!

On January 6th, we celebrated the Feast of the Epiphany, highlighting Jesus' message for all. Mrs. Hamling and the Three Wise Men visited classrooms to bless them and distribute treats.

The second NWEA MAP assessment for grades 1-8 will be administered starting on Monday January 12th. This assessment helps track student growth and guides personalized instruction.

Our lost and found bin is overflowing with winter items, located in the gym. Please remind your child to care for their belongings, including musical instruments.

A reminder to all Pre-Kindergarten parents - please do not block the entrance where buses drop off and pick up students.

As winter is here, please note that school weather updates will be communicated via text, email, and robo call, and will follow the Town of Hamden's decisions regarding delays and closures.

Thank you for entrusting us with your child's education. Wishing you a happy and healthy 2026.

God Bless,

Mrs. Robinson

## Nurse's Corner

Hamden Public Schools and St. Rita School will now be following the new respiratory virus guidelines set forth by the CDC and our local health department.

COVID will now fall into the same category as the flu and RSV as a respiratory virus.

If your child develops symptoms of a respiratory virus (cough, fever, runny nose , congestion, fatigue), they should stay home until they are fever free for 24 hours without the use of medication and their symptoms are improving. They can return to school and we would encourage the use of a mask for 5 days.

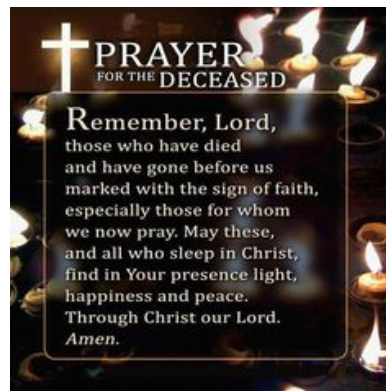

**Medication reminder:**

Please do not send medication into school with your child. This includes any Over The Counter medication (Advil, Tylenol, Midol, cold medicine, allergy medicine, etc). Medication that needs to be taken during school hours must be brought into school by an adult along with a medication order from the physician.

If you wish to have cough drops available to your child please send them into school with a note. The nurse will keep them in her office and administer them to your child as needed.  
Thank you for your cooperation

Please continue to pray for Mrs. Tiezzi and her family, and all those members of our school family who are in need of our prayers.

Please pray for all the deceased members of our St. Rita Community.
