West Oso ISD is excited to announce that we will be hosting a community event, the Celebration of Education, scheduled for Thursday, April 24, 2025, from 5:00 pm to 7:00 pm at West Oso Junior High School, 5202 Bear Lane, Corpus Christi, TX 78405. This year's theme, "*Celebrating the Present, Dreaming of the Future*," highlights the outstanding achievements of West Oso ISD students and the district's commitment to academic excellence.

This event will include displays of student work and demonstrations of hands-on educational activities in all curricular areas. Students will represent all four campuses in the district, showcasing both during the day learning as well as after school activities in grades Pre-K through 12. The Texas ACE After School program will be featured as well. This is an opportunity for the district's artists, athletes, musicians, and scholars to shine.

"At West Oso ISD, we honor the incredible learning taking place today while nurturing the limitless possibilities of tomorrow. We invite you to celebrate with us as we spotlight the passion, creativity, and excellence of our students." said Kimberly Moore, West Oso ISD Superintendent.

The community is warmly invited to attend and celebrate the hard work and talents of West Oso ISD students. For more information, please contact Ms. Kimberly Moore at Kimberly.moore@westosoisd.net.
