

WEST OSO INDEPENDENT SCHOOL DISTRICT

KIMBERLY MOORE ~ SUPERINTENDENT OF SCHOOLS

FOR IMMEDIATE RELEASE

WEST OSO ISD COMMUNITY EVENT

CELEBRATION OF EDUCATION:

LEARNING TODAY. LEADING TOMORROW. LEAVING A LEGACY.

DATE OF EVENT: THURSDAY, APRIL 30, 2026
LOCATION: WEST OSO JUNIOR HIGH SCHOOL
5202 BEAR LANE
CORPUS CHRISTI, TX 78405
TIME: 5:00 PM TO 7:00 PM

West Oso ISD is excited to announce its upcoming community event, the Celebration of Education, scheduled for Thursday, April 30, 2026, from 5:00 pm to 7:00 pm at West Oso Junior High School, 5202 Bear Lane, Corpus Christi, TX 78405.

This year's theme, "*Learning Today, Leading Tomorrow, Leaving A Legacy,*" celebrates how West Oso ISD students are growing as learners today, preparing to lead tomorrow, and building a legacy of excellence for the future.

The event will feature student work displays and hands-on educational demonstrations across all curricular areas. Attendees will also have the opportunity to visit informational tables showcasing community partners and the valuable resources they provide. Students from all four campuses will be represented, highlighting both in-school learning and extracurricular activities for grades Pre-K through 12. The Texas ACE After School Program will also be featured.

The Celebration of Education offers a unique opportunity for the district's artists, athletes, musicians, and scholars to showcase their talents and accomplishments. "At West Oso ISD, learning today is the foundation for leadership tomorrow and the legacy our students will leave behind. We are excited to showcase their achievements and invite our community to celebrate their success," said Kimberly Moore, West Oso ISD Superintendent.

Families and community members are invited to celebrate how our students are learning today, leading tomorrow, and building a bright future together. For more information, please contact Ms. Kimberly Moore at Kimberly.moore@westosoisd.net.
