PUBLIC HEARING NOTICE: **TEXAS ACADEMIC PERFORMANCE REPORT (TAPR)**

As part of our commitment to transparency and accountability in education, West Oso ISD will hold a **Public Hearing regarding the Texas Academic Performance Report (TAPR)** on:

Monday, February 23, 2026

5:30 p.m.

West Oso ISD Administration Building – Board Room

5350 Bear Lane

Corpus Christi, Texas 78405

This hearing will be conducted as part of the regularly scheduled meeting of the West Oso ISD Board of Trustees.

The Texas Academic Performance Report (TAPR) provides valuable information about our district and campus performance, including:

- Student academic achievement
- Graduation rates
- District and campus demographics
- Performance objectives
- A report of violent or criminal incidents
- Information received from the Texas Higher Education Coordinating Board under Texas Education Code §51.403(e)

Texas Education Code Chapter 39 requires each school district's Board of Trustees to publish an annual report containing this information and to hold a public hearing for discussion of the report.

During the hearing, district leadership will review key components of the TAPR and provide an opportunity for public discussion. This is an important opportunity for parents, guardians, and community members to learn more about district performance and to provide feedback.

Your involvement strengthens the partnership between home, school, and community and supports our continued efforts to provide the highest quality education for all students.

For additional information, please contact the West Oso ISD Administration Office at **(361) 806-5900**.

We look forward to your participation on Monday, February 23, 2026, at 5:30 p.m.
