Dear West Oso ISD Parents & Guardians,

As we closely monitor the upcoming weather conditions, please be assured that our district is actively tracking the current weather developments. Ensuring the safety and well-being of our students, staff, and community remains our highest priority.

We will provide updates as new information becomes available and will promptly communicate any necessary changes to schedules or procedures. Please continue to monitor the following communication channels: ParentSquare, social media, the district website, and local news media outlets.

Thank you for your continued cooperation, preparedness, and support as we navigate these conditions together. We appreciate your partnership in supporting the safety of our school community. Your ongoing commitment to the safety of our school community is sincerely appreciated.

Respectfully,

Kimberly Moore
