WEST OSO ISD ANNOUNCES
MS. BEATRICE ZAMORA
AS THE COUNSELOR
AT JOHN F. KENNEDY ELEMENTARY SCHOOL

West Oso Independent School District is proud to announce the appointment of Ms. Beatrice Zamora as Counselor at John F. Kennedy Elementary School for the 2026–2027 school year.

Ms. Zamora is a dedicated educator who has served the students of John F. Kennedy Elementary School as a Kindergarten Teacher and brings five years of classroom teaching experience to her new role. Throughout her career, she has demonstrated a strong commitment to fostering academic achievement, building positive relationships with students and families, and supporting the social-emotional growth of young learners.

In addition to her classroom responsibilities, Ms. Zamora has served as the Kindergarten Grade Chair, providing leadership and support to her colleagues while helping guide instructional practices and student success initiatives. Her dedication to excellence in education has also earned her recognition as a Teacher Incentive Allotment (TIA) Designated Exemplary Teacher, a distinction that reflects her outstanding impact on student growth and achievement.

Ms. Zamora earned her Bachelor of Arts degree from Texas A&M University–Corpus Christi and a Master of Science in Counseling. Her passion for education, student advocacy, and creating supportive learning environments has made a lasting impact on the students she has served.

As Counselor for Pre-Kindergarten through First Grade, Ms. Zamora will work closely with students, families, and staff to support the academic, social, emotional, and developmental needs of young learners. Her experience in the classroom provides her with a unique understanding of the challenges and opportunities students encounter during their earliest years of school, allowing her to provide meaningful guidance and support as they build a strong foundation for future success.

“Ms. Zamora has consistently demonstrated a deep commitment to the success and well-being of our students,” said Superintendent Kimberly Moore. “As a teacher leader, Kindergarten Grade Chair, and TIA Designated Exemplary Teacher, she has earned the respect of her colleagues and the trust of the families she serves. Her experience, compassion, and dedication to supporting the whole child make her exceptionally well-prepared for this role. We are excited to see the positive impact she will have on our youngest learners and their families.”

West Oso ISD looks forward to the leadership, compassion, and expertise Ms. Zamora will bring to her new role as she continues serving the students and families of the district, helping create a nurturing environment where every child feels valued, supported, and empowered to thrive.
