DATE: FRIDAY, MAY 22, 2026

WEST OSO ISD ANNOUNCES
MS. BELINDA GAMEZ
AS THE PRINCIPAL OF
WEST OSO JUNIOR HIGH SCHOOL

As West Oso ISD continues its commitment to fiscal responsibility and organizational efficiency, the district will be restructuring the Human Resources Director position. While this change reflects our ongoing efforts to maximize resources in support of students and campuses, it also provides an exciting opportunity to place strong leadership where it is needed most.

Over the past several years, Ms. Belinda Gamez has served the district with exceptional dedication and professionalism in her Human Resources leadership role. She has built meaningful relationships with staff across the district, implemented effective systems and processes, and worked tirelessly to support recruitment, retention, and employee success. Her positive impact on our district culture and operations is greatly appreciated.

Because of her proven leadership, commitment to students and staff, and ability to build strong campus communities, Ms. Gamez will be transitioning into the role of Campus Principal at West Oso Junior High School — a critical leadership position for our district. With 37 years of dedicated service in education, she brings exceptional leadership experience and a steadfast commitment to building strong, student-centered school communities. We are confident that her passion, vision, and experience will allow her to make an even greater impact in directly serving students, families, and staff at the campus level.

“We are proud to welcome Ms. Gamez as the leader of the West Oso Junior High School campus,” stated Superintendent Kimberly Moore. “I am confident that her strong commitment to high expectations, accountability for both students and staff, and deep love for this community will help propel the campus forward. Her dedication to fostering a disciplined, student-focused environment reflects the kind of leadership our district is excited to continue building.”

We look forward to Ms. Gamez continuing to lead with high expectations, strong leadership, and a heart for students while creating a campus culture where every child is challenged to rise above obstacles, believe in themselves, and strive for excellence each day. Please join us in congratulating Ms. Gamez on her new role as Principal of West Oso Junior High School.

MS. BELINDA GAMEZ
WEST OSO JUNIOR HIGH SCHOOL PRINCIPAL
2026 - 2027
