754 FLATO Rd. CORPUS CHRISTI, TEXAS 78405
RHONDA GARCIA
ECHS COORDINATOR

Advisory/Content Lab Curriculum

West Oso Early College High School students are provided with necessary support and additional time by using multiple tools to assist with the combination of balancing college and high school classwork. Students' academic schedules are individually customized to ensure that the appropriate pace of coursework is planned based upon one's academic needs. Students are given college lab time in their schedule to utilize the resources available to every student. Various curriculum resources/tools are utilized by staff from the following websites to assist students with planning and organizing for themselves. Every ECHS student is enrolled in AVID.
