Redeemer Students Turn Prayers into Action Through Chapel Offerings

At Redeemer Lutheran School, chapel is a time not only for worship and prayer, but also for living out our faith in meaningful ways. For the remainder of the school year, our chapel offerings will be dedicated to a special outreach effort: purchasing Waterfront Tokens to support individuals experiencing homelessness in our community.

These tokens, which cost \$10 each, can be distributed to those in need and redeemed for a night's stay in a local shelter. This provides not just a safe place to sleep, but also a step toward stability and hope.

During morning announcements our students regularly lift up prayers for those who are homeless, asking God to provide for their needs and surround them with care. This chapel project gives them the opportunity to be part of the answer to those prayers. We are encouraging each class to work together toward the goal of purchasing several tokens before the end of the year. Whether through coins, small bills, or special class efforts, every gift brings us closer to making a real difference in someone's life.
