No School Thursday and Friday

Our amazing teachers will be attending a professional development conference to learn, grow, and bring new ideas back to our classrooms! Because of this important opportunity, school will be closed for two days.

We are grateful for our dedicated teachers who continually invest in their professional growth so they can provide the very best for our students.

(No School on the following Monday for Columbus Day. Enjoy your 5 days off!)

A Night to Remember: Thank You, Middle School!

We want to extend a massive thank you to our middle school students who attended last Friday night's school dance! Our students showed exemplary behavior and we are so proud of how well you represented our school!

An event this spectacular doesn't happen without an incredible team working behind the scenes. We want to shower our heartfelt appreciation over the amazing individuals who brought the night to life:

- **Ashley Bailey and Ana Ludwick**, whose incredible decorating talents completely transformed our space into a magical dance floor.
- **Zayra Williams**, who designed and created the stunning balloon arches.
- **Amber Godwin**, who provided the ultimate crowd-pleaser—a fantastic **360-degree photo booth** that kept our students smiling and posing all night long!
- Finally, a **huge thank you to all of our parent volunteers!** Whether you generously donated delicious food to keep our dancers energized or gave up your Friday evening to chaperone the event, your time and partnership are what make our school community so special.

We Did It!

Thanks to the incredible generosity and support of our school families, we have surpassed our \$20,000 fundraising goal by more than \$10,000! We are thrilled to announce that we have raised just over **\$30,000!**
