

<Dear Name>,

When you walk through the doors at Father Marquette Catholic Academy, you enter hallways filled with smiles, laughter, and joy. We provide a solid foundation for our students, built on truth and strengthened by the practice of virtue and the pursuit of wisdom. What hope and freedom that brings!

I recently observed one of our middle school history classes, during which students discussed the virtues exhibited by a historical figure and how those virtues contributed to his greatness. They recognized and pondered virtue during class, holding it up as something to pursue. What a remarkable gift to have that opportunity at school!

Daily lessons at Father Marquette Catholic Academy guide students toward the good, the true, and the beautiful, leading them to wisdom. Our graduates are scholars and leaders who go out as disciples of Christ to improve the world around them. What a blessing Father Marquette is to our community!

We rely on mission partners to be GUARDIAN ANGELS to our little disciples by helping fund our work, allowing us to keep tuition affordable, maintain our facilities, make safety upgrades, and work toward providing more equitable salaries.

We invite you to join us in our mission by making a generous donation to our Father Marquette Catholic Academy GUARDIAN ANGELS Annual Appeal. What a difference your gift will make in the lives of our students and in our community!

Yours in Christ,

Melissa Pillifant
