

FDS is a private, independent, non-denominational school that was established in 2017 starting with one inaugural Kindergarten class. Since then, each year a grade is added. FDS focuses on **academic rigor**, STEM education and the Arts - most notably, Suzuki Violin at all grade levels. The Creative Arts – Visual Arts, Spanish, Mindfulness, Physical Education and STEM lab - round out how FDS prepares the **whole child** for service to humanity and to participate in a global society.

Available Positions for the 25-26 school year

- *Science and Arts Integration Coordinator*
