

Falcon Fun Facts - 10/9/2026

Principal's Corner

Greetings Families,

October is a busy but wonderful month, and we have so many exciting things to look forward to! Even with a full schedule, I have had the pleasure of visiting several classrooms and witnessing some truly wonderful learning taking place.

Our first graders were busy reading and writing sentences, our Pre-K students were dressed as community helpers, and our kindergarteners were exploring geometry and learning how to classify shapes. It is always a joy to see our students engaged in learning, growing in confidence, and making progress each day!

As we continue through the month, please remember to support our Coat Drive. If you have any gently used coats that you no longer need, we would greatly appreciate your donation. The collection box is located just outside the main office. Thank you for helping us keep others warm this season!

Thank you for your continued support and for being such an important part of the St. Mary's School community. I look forward to all the wonderful things this month has in store for us!

October Teacher Spotlights

Thank you to Ms. Pat for being awesome at what you do. There's never a dull moment in Prek - 4.

Sr. Ghennet. Thank you for being so interactive and involved with our school community.

Señor Santiago, thank you for taking such good care of our school. We appreciate you. Gracias por todo!
