

Addenbrooke

MUSTANG POST

A WORD FROM THE PRINCIPAL

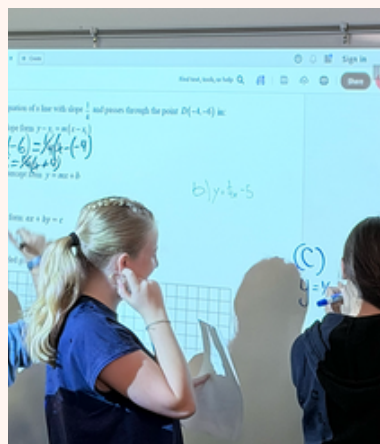

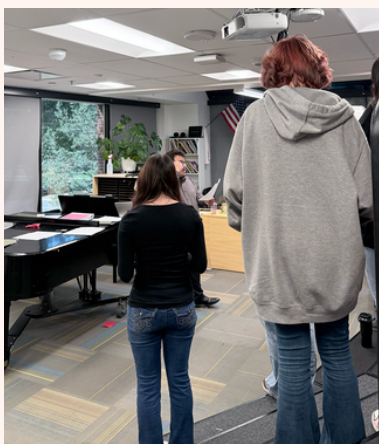

Today I fly to Minnesota to run the Twin Cities marathon, a privilege that was taken from me three years ago when they cancelled the event two hours prior to the start. I then proceeded to get a partial knee replacement. It has taken me three years to get back to the point where I am ready to run a marathon and finally check it off my list. Education can be like that, Sometimes we fail or sometimes we have to go back to the beginning and rebuild. Education isn't a sprint or a cram session but a marathon.

Just like there are moments in a race where you might want to quit, students often face moments when they want to quit on their education. One way to combat that is for parents to be involved in their education. At

Addenbrooke, we believe that parents are the ultimate educators of their kids. This is one reason why parent-teacher conferences are important. I would encourage you to sign up for conferences with your student's teachers on October 8th. [You can sign up here.](#)

- Oct 8th
 - Location: Thunder Valley Park

INFINITE CAMPUS

You have access to a lot of information for your student on Infinite Campus (IC). You can see:

- attendance
- missing assignments
- grades
- etc.

Accessing IC and seeing what you want to see is not always intuitive. Quite often you can get answers to questions about your student's progress, grades, and attendance much faster by logging in and looking there. Our teachers and administration are always willing to help, but we are not always readily available.

If you don't know how to use IC or access it, take a look at the videos and helpful resources by following the link below.
