

CHILD FIND W/ GANADO UNIFIED SCHOOL DISTRICT #20

What is Child Find?

As a part of IDEA requirements for Child Find, the GUSD is "obligated to locate and identify any child, 3 to age 21 suspected of having a disability and in need of special education services." Every 45 days our school holds developmental screenings for children ages 3-5 whose legal guardian suspects a disability and who are and are not currently enrolled in a GUSD public school.

When do they have Child Find?

We hold Child Find with our school, every 45 days. For the month of May, June, and July- we are appointment based. If you have more questions, please feel free to call and ask with the contact information provided.
