

Ganado Middle School

2026 - 2027

Welcome Back to School

Dear Ganado Middle School Students, Parents, and Families,

On behalf of the faculty and staff of Ganado Middle School, it is my pleasure to welcome you to a new school year! We are excited to begin another year of learning, growth, and success with our students and families.

At Ganado Middle School, our mission is to educate our students at the highest possible level, prepare them for high school and future endeavors, reinforce positive characteristics, and enrich their studies through our Diné culture. Together, we are committed to creating a healthy, safe, and positive atmosphere where every student has the opportunity to thrive academically, socially, and emotionally.

As we begin this school year, we encourage every student to:

- Come to school every day and arrive on time.
- Be prepared to learn and actively participate in class.
- Show respect for themselves, others, and our school community.
- Take pride in their work and strive for continuous growth.
- Get involved in school activities and make the most of every opportunity.

We believe that strong partnerships between home and school are essential to student success. We encourage families to stay involved by communicating regularly with teachers, monitoring student progress, and participating in school events throughout the year. Your support makes a tremendous difference in your child's education.

Thank you for entrusting us with your child's education. We look forward to working together to make this an outstanding and successful school year.

Welcome back! Let's make this our best year yet.

Sincerely,

Jolena Burns
Principal
Ganado Middle School
