Welcome to the 2026–2027 School Year!

Dear Parents and Guardians,

It is with humility and great appreciation that I welcome you to a brand new school year at Ganado Intermediate School! Our school strives for academic excellence while promoting lifelong learning. In that same breath, we move forward together: “*Ne ’niiji yiikah.*”

We are dedicated to serving your children as they transition from primary school and prepare for middle school. Through engaging instructional delivery and a rigorous curriculum, our teachers cultivate critical thinking and literacy skills, ensuring students master grade-level academic standards.

New This Year:

We are thrilled to enhance our school community with several new initiatives this year:

Robotics Program: Partially funded through a generous grant from the Arizona Diamondbacks baseball team!

Principal's Student Advisory Team: Giving our students a voice in their school leadership.

Principal's Parent Advisory Team: Collaborating with you to build a stronger school community.

Expanded After-School Programs: New activities beyond traditional tutoring.

Please note: Information regarding these after-school programs will be shared by August 14, 2026. We want to ensure our students successfully readjust to their daily school routines before introducing these new activities.
