THE MISSION OF “THE DANDELION PROJECT”

At The Dandelion Project, our mission is to provide grief support, education, and resources to those who have suffered losses, are raising grandchildren, and are struggling with mental health issues including Substance Use Disorder. We are dedicated to navigating through trauma and recovery while spreading awareness and education throughout our communities.

Dandelions are signs of life again, and like the dandelion spreads its seed, we spread our love from one to another.

We place them the Sunday before Memorial Day and pick them up the following Saturday. I have tools to assist in the placing of the flags, and it goes fast. If you are willing to help please contact the church office with your name, email, and phone number.

I will send you all the information. you will need.

Thank You.
