LWML News:
Today is Mites Sunday!

You will find the Mites donation box next to the bulletin and announcement table. Mites are donated to the LWML both for Florida Georgia District and National. This month we are featuring a national grant since the Florida Georgia District will be voting on new grants in September at our convention.

This grant is in the amount of \$81,000. It is for the regional disaster response LERT shower trailer, LCML National Mission Disaster Response ministry. LERT, Lutheran Early Response Team, serves thousands of individuals and families who are suffering from loss in the wake of disasters like hurricanes, floods, earthquakes, fires, and tornadoes. Host congregations in various cities provide the teams with many of their needs while they respond, but they have found lack of showers to be a challenge. This grant will pay for half the cost of two combination bathrooms/shower/laundry trailers to be used during disaster response work.

Thank you as always for your faithful support of the LWML Mites.
