“8 Questions God Can’t Answer”

If God knows everything, why does He ask so many questions? When God asks a question, it typically is not for His benefit. A teaching style of Jesus was to ask questions, often designed to transform our faith – from feeble to fierce, from predictable to passionate. He was, and still is, a God of few easy answers. Join us each week in the Fellowship Hall as we unpack eight pointed questions posed by Jesus in the Gospels – questions God can’t answer.
