Please grab one or more shoeboxes on your way out.

Every gift can make an eternal difference.

We are sad to announce that Kathy Davis, our Finance Manager, has decided to resign to focus fully on her health and well-being. As many of you know, Kathy has recently been managing some significant health challenges. She is currently under doctor supervision and has made the difficult but necessary decision to step away from work to focus on making a full recovery. Her last day is on July 24, 2026.

Kathy will be missed by everyone who has had the pleasure of working with her. We are incredibly grateful for her dedication to our team. Please join us in sending her our warmest thoughts, prayers, and best wishes for a speedy and complete return to good health.
