## Can Recycling Request

Thank you all so much for your continued support of Trinity's Can Recycling!

As you know, the men of Trinity remove and crush all these cans personally. To help make their job a bit easier, they have a quick request:

**Please do not bend or fold the cans.**

They can be completely crushed but folding them makes the machinery or tools harder to use and makes it unsafe.

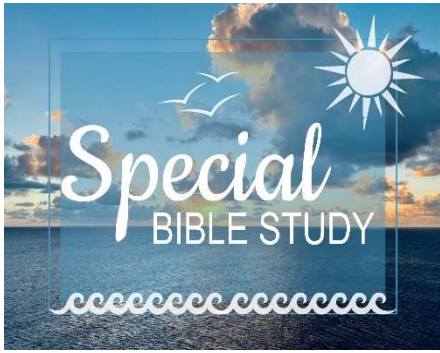

We appreciate your help!

### LWML NEWS

It is once again Mites Sunday. Our Mite offering box is in the Narthex. Our featured Florida Georgia Grant this month is support of a POBLO missionary couple in the Florida Georgia District. Rev Timothy and Samantha Abel are currently serving in Peace Lutheran Church in Naples, Florida. They have been planted to help encourage and cultivate Christian outreach and evangelism to international communities. The grant of \$10,000 will help support the missionary position costs, ministry needs, and materials costs they incur as well as Gospel tracts and Bible translated in appropriate languages.

Thank you in advance for your faithful support!

We look forward to seeing you there!
