

How to Access the USD 271 District Report Card (KSDE)

Follow the steps below to access the USD 271 (Stockton) District Report Card through the Kansas State Department of Education (KSDE).

Step 1: Go to the Kansas Report Card Website

- Open a web browser.
- Go to: <https://ksreportcard.ksde.gov/>

Step 2: Search for the District

- On the homepage, select “Find Your School” (or use the search feature).
- Choose the option to search by District if available.
- Type Stockton or USD 271 in the search box.
- Select Stockton USD 271 from the list of results.

Step 3: View the District Report Card

- Once selected, you will be taken to the district’s report card page.
- Review information such as:
 - Academic achievement results
 - State assessment data (KAP)
 - Graduation rates
 - Enrollment and demographic information
- Use any available dropdown menus to select a specific school year if needed.

Step 4: Print or Download (Optional)

- Use your browser’s print function (Ctrl + P) to print the page.
- If available, select any download or PDF options on the website to save a copy.

Additional Notes

- No login is required to access the public district report card.
- Individual student assessment results are available through the KITE Parent Portal (separate from the district report card site).
