

NEW MEXICO PUBLIC EDUCATION DEPARTMENT

Canvas Connection Conference

Explore how Canvas can streamline instruction, support diverse learners,
and elevate district-wide teaching and learning.

April 21, 2026

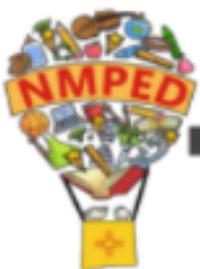

Albuquerque, NM: Cooperative Educational Services (CES) Building

Learn how Canvas can....

- Easily integrate HQIM seamlessly into daily instruction
- Improve accessibility and support diverse learners (504s & IEPs)
- Support Multi Layered Support Systems (MLSS)
- Provide access to classroom, school, and district student outcome data
- Expand professional learning
- AI features and tools
- SO MUCH MORE!!

Who Should Attend:

Educators, administrators, Ed Tech, and instructional leaders who are using or interested in using Canvas to support teaching and learning.
