HOUSD is requesting quotes for a replacement machine for our Kyocera TA5003i. Please email, mail or physically drop your quote on any machine that will be an equivalent to this machine. We generally run around 205,000 copies through this machine per year.

We will also need a service contract for the replacement machine.

We work with many purchasing co-ops, please send any contract information you have along with your quote.

We would like quotes on or before November 16, 2026 by 5:00 pm mountain standard time. Our team will review and have a decision made by November 30, 2026.

Dated this: October 27, 2026
