MMP and CMS Goals of Title I Plan

MMP and CMS will organize resources to maximize teachers' instruction, will have data systems including reteaching and enrichment which will increase student outcomes on state assessments.

With a system to adopt, systematically monitor, review and evaluate the use of curriculum, MMP and CMS will provide teachers with materials built upon a research based instructional design aligned to Arizona Academic Standards.

MMP and CMS Goals of Title I Plan

- Provide high-quality curriculum and instruction through the use of Beyond Textbooks, Capturing Kids Hearts, Savvas, and various other supplemental programs, in order to meet Arizona's College and Career Ready Standards (AZCCRS).
- Implement behavioral strategies in order to achieve respectful and healthy relationships with students.

School-Parent Compact

What is a School-Parent Compact? This Compact outlines how you, the school staff and the students share the responsibility for improved academic achievement and the means by which the school and parents will build and develop a partnership that will help children achieve high standards.

Jointly Developed

MMP and CMS developed this School-Parent Compact for Achievement as part of the Title 1 program.

Meetings will be held annually to review the Compact and make changes based on student needs.

Teachers will suggest home learning strategies, parents will add ideas to make them more specific and students will tell us what will help them learn. Parents are welcome to contribute comments at any time.
