

Paid Internship Opportunity – \$20-\$30/hour

We are currently offering a **paid internship** for motivated and enthusiastic college students. **BT Construction, Inc.** specializes in underground utility construction, including water, sanitary, and storm pipeline installation and relocation. Our work also includes underground chilled and steam lines, electrical and communications duct banks, and sheet pile installation.

Details:

-  **Paid Internship Available**
-  **\$20.00 – \$30.00 per hour**
-  **Must be currently enrolled in college**

When applying, let us know **what area you are most interested in** (e.g., Project Management, Field Operations, Estimating, Equipment/Shop Operations). This internship is designed to provide hands-on experience, professional development, and exposure to real-world work environments. The goal of this internship is to potentially offer full-time positions and develop long-term employees.

If you are eager to learn, gain practical experience, and contribute to a friendly team, we encourage you to apply.

To apply:

Please submit your resume to HR@btconstruction.com and indicate the area(s) you are interested in.
