7/15/2026

Pomerene School Community,

Welcome to the new school year! I am grateful to have your child enrolled at Pomerene School this year. I look forward to getting to know you and your family better. Pomerene School District is a welcoming school community whose mission is to provide an engaging and safe learning environment, emphasizing quality education and traditional values that prepare students to succeed.

- Our first day back to school is Thursday, July 23, 2026. Our doors will open at 7:35 AM with school ending at 2:30 PM for grades K-4 and 2:35 PM for grades 5-8.
- We will host a Meet & Greet the evening before on Wednesday, July 22nd from 5:00 PM to 6:00 PM. This will give everyone the opportunity to meet their teachers and ease into the excitement associated with the first day of school!
- There will be free breakfast and lunch for all students again this year.

In order to support your child's learning, I ask that you ensure he or she:

- Arrives at school each day on time and ready to learn.
- Completes all assignments to the best of their ability.
- Share school experiences with you so that you are aware of and involved in the learning process.
- Informs you (or myself) if additional support is needed in any subject area.

In order to accomplish all our learning goals this year, there are some school supplies your child will need. Please review the school's class supply list posted on our website, FB page, and our local Wal-Mart.

In addition, if you have questions or concerns about any part of the school year, please reach out to me either during school hours, by phone at 520-586-2407, or before and after hours by email at msherman@pomereneschool.org.

Let's work together to make this a great school year for everyone!

Sincerely,

Michael L. Sherman
Superintendent
Pomerene School

Pomerene School District is a welcoming school community whose mission is to provide an engaging and safe learning environment, emphasizing quality education and traditional values that prepare students to seize opportunities for success. This institution is an equal opportunity provider.
