

# SVMA FEBRUARY NEWSLETTER

Thank you for your patience during this snowy stretch. We missed seeing your children last week, but it was a treat to connect with parents during conferences on Thursday and Friday. These meetings are a wonderful opportunity to celebrate your child's growth and share insights about their learning.

## Hot Topics for February!

### February's Theme

This month, our theme combines **Community Helpers** with the **Winter Olympics**. Students will learn about people who help us every day, including doctors, firefighters, police officers, and teachers. We will have special visitors from the Glen Echo Fire Department, a pediatric dentist, and a pediatrician. We will also explore winter sports, cheering for Team USA, and learning about different countries.

### School Is Open February 9th

In lieu of the planned Staff Development Day, school will be open on Monday, February 9<sup>th</sup>. Teachers have graciously offered to complete staff development after school hours due to the recent snow days.
