

Hello and Happy Summer! 

I am delighted to share SVMA's Back to School information, including required forms, school calendar, and registration for the Enrichment and Early Bird programs.

All forms are enclosed with this letter and are also available on our website. To stay up to date on SVMA special moments throughout the year, be sure to follow us on [Instagram](#).

New Student Orientation

Individual orientation visits for new students will be offered September 3 and 4. Starting preschool is a big step. A one-on-one visit helps ease the transition for both children and parents. During the visit, children will meet their teachers and explore the classroom. A sign-up link to schedule your visit will be shared in early August.

Early Bird

Early Bird (8:15–9:00 a.m.) offers an easy start to the school day. Children have time to settle in, socialize with friends, play in the Train Station, and participate in crafts. With ample supervision, Early Bird helps children transition smoothly into their school day while offering convenience for families. We welcome drop-ins and require a \$20 fee per visit.

Enrichment with Lunch Bunch

Enrichment with Lunch Bunch (12:00-2:30 p.m.) provides children with the perfect opportunity to build friendships, explore new interests, and gain confidence in an engaging environment. Ask any child who has attended, and they'll happily tell you how much they *LOVE* it! Children are welcome to attend on a drop-in basis for \$50 per visit. If your child isn't quite ready to stay until 2:30 p.m., an earlier pick-up is always an option.

Required Forms

Please return all forms by **August 15** via email, U.S. mail, or by placing them in the school's white mailbox.

Supplies/Activity Fee

A **\$100 Supplies/Activity Fee** is required once per year for each student. This fee helps cover school-wide events, student portraits, guest performers, and other special activities throughout the year. Supplies from *What to Bring On the First Day* can be dropped at school the first week of September or on the first day of school.

Looking Ahead to September

Our teachers are preparing for a year filled with play, music, creative learning, Montessori instruction, and new adventures. At SVMA, your child's safety and happiness are our highest priorities. Every day, our goal is to provide a nurturing environment where children can learn, grow, and blossom. A strong partnership between home and school is the foundation for optimal learning and fun. If you have any questions or simply want to connect, please don't hesitate to reach out. I'm always happy to help.

Wishing you a wonderful rest of the summer. The teachers and I look forward to welcoming your children in September!

All the best,
