

2026-27 Superintendent Objective Performance Standards

1. The Superintendent will continue the Literacy Team Initiative to expand early literacy outreach and meet PDE Structured Literacy mandates.
2. The Superintendent will work to complete a Facility Conditions Assessment of District properties to identify future projects.
3. The Superintendent will continue to enhance the District's alignment, fidelity, and coherence in instructional practices by directing annual curriculum reviews in each building and assisting the building principals with the supervision and evaluation of faculty and staff.
