# MOBILE DENTAL CLINIC

The Napa County Office of Education's Local Oral Health Program is partnering with the Queen of the Valley Mobile Dental Clinic to provide dental screenings at Howell Mountain Elementary School, on **Tuesday, May 26th at 10:00 AM.**

 **FREE Dental Screenings & Fluoride Applications** for All Students at Howell Mountain School!

### Important Dental Screening Information:

- Parents/Guardians do not need to be present during the screening, but advance parent consent is required.
- No cost to participate!

Don't miss this opportunity to support your child's oral health!

### What to Expect:

- Parents/Guardians sign and complete consent forms for their students to participate
- Quick dental check-up/Fluoride application (optional)
- Oral health education and dental toothbrush kit provided to each participant
- Follow up information provided
