

Tohono O'odham Community College

Associate of Applied Science in Management and Supervision

The Management and Supervision Associate of Applied Science degree prepares the student for front line supervision and entry level management. Different approaches and techniques to management and supervision will be examined and how they should be applied. This includes leadership, organization, planning and other management practices.

Sample Path Progression

If you are a part time student, take half of the classes each semester (fall 1 and spring 1). The following year, take the second half of the classes (fall 1 again and spring 1 again) until you complete the suggested sequence.
