Associate of Arts in Liberal Arts

TOCC offers the Associate of Arts in Liberal Arts for students who are interested in a broad-based college education that allows them the freedom to choose a variety of subjects during their first two years in college. The AALA degree concentrations are also designed for transfer to four-year colleges and universities with a specialized block of courses. A degree in liberal arts provides a variety of career options such as law, journalism, publishing, and government service among others.

Program Learning Outcomes:

1. Actively and critically read, interpret, and analyze diverse texts.
2. Clearly articulate ideas, arguments, and topics through writing and public speaking appropriate to specific audiences.
3. Research topics through evaluating, citing, and documenting various sources.
4. Explain a socio-political issue from multiple perspectives, including the T-Şo:şon.
5. Integrate concepts and methods of the physical and/or biological sciences to make informed judgments
