

Tohono O'odham Community College

Associate of Arts in Pre-Professional Nursing

The Pre-Professional Nursing degree is designed for students who intend to transfer to a Bachelor of Science in Nursing (BSN) degree program. Students should contact the university that they intend to transfer to for specific requirements for their Nursing degree program. This degree requires MAT 142H College Mathematics, and MAT 225 Introduction to Statistics. This program has a direct transfer pathway with the University of Arizona.

Sample Path Progression

If you are a part time student, take half of the classes each semester (fall 1 and spring 1). The following year, take the second half of the classes (fall 1 again and spring 1 again) until you complete the suggested sequence.
