Associate of Arts in Pre-Professional Nursing

This program is not yet eligible for Financial Aid

The Pre-Professional Nursing degree is designed for students who intend to transfer to a Bachelor of Science in Nursing (BSN) degree program. Students should contact the university that they intend to transfer to for specific requirements for their Nursing degree program. This degree requires MAT 142H College Mathematics, and MAT 225 Introduction to Statistics.

Program Learning Outcomes:

1. Demonstrate foundational scientific knowledge, vocabulary, and skills appropriate for students seeking positions in the healthcare field.
2. Apply the scientific method to develop procedures to study questions and analyze data that typically arise within scientific fields of study.
3. Display a sense of place by identifying community health issues and proposing a culturally appropriate solution that incorporates cultural core values.
4. Communicate clearly and accurately in both written and oral form about a contemporary scientific issue and argue cogently from evidence to make informed judgments.
